BEFORE YOU TAKE PRO-B DIGESTIVE ENZYMES:

- If you are taking other supplements, read the label, since these supplements may contain the same ingredients.
- Do not take if you are hypersensitive to any of the active or inactive ingredients.
- Tell your healthcare provider if you are taking any other medicines, this includes complementary or traditional medicines.

WHAT PRO-B DIGESTIVE ENZYMES IS USED FOR:

A unique enzyme blend to assist with the digestion and for lactose, gluten and general gastrointestinal tract intolerances.

PREGNANCY AND BREASTFEEDING:

If you are pregnant or breastfeeding, please consult your doctor, pharmacist, or other healthcare professional for advice before taking this medicine.

DIRECTIONS:

Adults: Take one (1) capsule daily, or as directed by a healthcare provider. Do not exceed the daily recommended dose. Consult a healthcare provider for prolonged use. This product is not recommended for children, only under supervision of a healthcare provider.

In the event of accidental overdose, consult your doctor or pharmacist. If neither is available, contact the nearest hospital or poison centre.

Do not take a double dose to make up for missed individual doses.

POSSIBLE SIDE-EFFECTS:

Gastrointestinal upset: Nausea, abdominal pain, constipation, diarrhoea, vomiting, poor appetite.

Not all side effects reported are included in this leaflet. Should your general health worsen or if you experience any untoward effects while taking this medicine, discontinue use immediately and please consult your doctor, pharmacist, or other healthcare provider for advice.

HOW TO STORE AND DISPOSE PRO-B DIGESTIVE ENZYMES:

Store all medicines out of reach of children.
Store at or below 25°C in a cool, dry place.
Keep the container tightly closed.
Do not use this medicine after the expiry date shown on the label.
Return all unused or expired medicine to your pharmacist for safe disposal.
