BEFORE YOU TAKE PRO-B REPLENISH:

- If you are taking other supplements, read the label, since these supplements may contain the same ingredients.
- Do not take if you are hypersensitive to any of the active or inactive ingredients.
- Tell your healthcare provider if you are taking any other medicines, this includes complementary or traditional medicines.

WHAT PRO-B REPLENISH IS USED FOR:

A unique formulation to help assist in restoring the intestinal flora.

PREGNANCY AND BREASTFEEDING:

If you are pregnant or breastfeeding, please consult your doctor, pharmacist, or other healthcare professional for advice before taking this medicine.

DIRECTIONS:

Adults: Take 250ml of reconstituted Pro-B Replenish three times a day as needed, or directed by a healthcare provider

Children from 1 year old: Take 50 – 250ml of reconstituted Pro-B Replenish as needed, or as directed by a healthcare provider. Children under 2 years old should be given small amounts at a time.

Do not use warm water to dissolve the powder.

In the event of accidental overdose, consult your doctor or pharmacist. If neither is available, contact the nearest hospital or poison centre.

Do not take a double dose to make up for missed individual doses.

POSSIBLE SIDE-EFFECTS:

Gastrointestinal upset: Nausea, abdominal pain, constipation, diarrhoea, vomiting, poor appetite.

Not all side effects reported for Pro-B Replenish are included in this leaflet. Should your general health worsen or if you experience any untoward effects while taking this medicine, discontinue use immediately and please consult your doctor, pharmacist, or other healthcare provider for advice.

HOW TO STORE AND DISPOSE PRO-B REPLENISH:

Store all medicines out of reach of children.

Store at or below 25°C in a cool, dry place.

Keep the container tightly closed.

Do not use this medicine after the expiry date shown on the label.

Return all unused or expired medicine to your pharmacist for safe disposal.
